## THE IDEA

# Your table. Our kitchen.

*Turn a night in your home into something worth remembering.*

TWELVE is a private dining experience from Shillings, designed for guests staying in holiday cottages, Airbnbs and homes across North Wales. We arrive with the ingredients, the ideas and the experiences. You simply gather your favourite people, sit back and let the evening unfold.

## WHAT MAKES TWELVE DIFFERENT?

It isn't a private chef dropping off a meal. It isn't a takeaway dressed up for the occasion. It's a complete twelve-course experience, cooked in your home and served around your table. Every plate is designed to feel considered, surprising, and a little bit theatrical. There is no taxi, no designated driver, and no need to leave your table.

We can structure the meal around you. We can offer from six to twelve courses. They can be one of our set menus, or we can arrange it around films, interests or your own life events to come up with something really interesting for your event.

## THE TWELVE-COURSE EXPERIENCE

# Familiar. Refined.

*Turn a night in your home into something worth remembering.*

We love taking things people recognise and turning them into something unexpected. A childhood pudding. A takeaway favourite. A seaside memory. A Sunday roast. The opportunities are endless and the familiar food becomes the starting point for something much more refined.
